## WORK EXPERIENCE

### FLIGHT ATTENDANT

Delta Airlines / February 2015 - Current

- Manage as flight leader overseeing the safety protocol for passengers and crew members
- Ensure the safety and comfort of our passengers while providing exceptional customer service, at an altitude of at least 8,000 feet
- Answer questions and assist passengers when necessary, particularly those with special needs
- Administer and coordinate emergency procedures or provide emergency care when needed
- Make decisions to address issues keeping in line with Delta policies, procedures, and core values
- Work independently and as part of a team to accomplish tasks
- Meet deadlines and manage unexpected changes in a time-sensitive and stressful environment

### STORE MANAGER

LIDS Sports Group / March 2009 - February 2015

- Managed store associates through use of LIDS Training Programs, goal setting (for sales and tasks), and regular follow up.
- Recruited, developed, and trained store personnel to achieve Operations Objectives as well as adhere to Operational policies and guidelines.
- Produced sales gains, by providing customer service.
- Prepared store schedules and provided for proper store coverage at all times, within the guidelines for wage control set by the company.
